

LAB APPOINTMENTS

The Alice Hyde Medical Center Laboratory is pleased to announce the availability of scheduled appointments for laboratory work

**Monday through Friday
from 6:30 a.m. through 2:00 p.m.**

To schedule an appointment for laboratory work,
call the Central Scheduling office at **518-481-2500**

*Note: Patients with scheduled appointments will be given priority service.
Ask the laboratory receptionist for further details.*

BLOOD-DRAW SERVICES

All four Health Centers will offer public blood-draw services

Monday - Friday from 7:30-9:30 a.m. No appointment necessary. Health care provider order is required. Contact your local Health Center for more information
